Hi all.

The Supporters' Society held the AGM on 29.01.2024 via zoom. Thank you to all who attended, for those who were unable to do so, below is a summary of the meeting.

The minutes from the previous AGM 8.03.2023 were agreed as well as the accounts. The previous board were unanimously re-elected to continue to work towards the goal of purchasing the shares from the majority shareholder.

Following the conclusion of the formal business of the AGM I was able to provide members with an exciting update on the progress made. I received communication from an intermediary for the majority shareholder to say that they have agreed a sale price for the shares. The seller is keen to conclude the sale as soon as possible. This is currently in the form of an informal agreement. Next step for the board is that an application is to be made to the funding body and to be submitted along with the Business plan.

Once we have had confirmation that the funding is approved then all the necessary information will be shared with all Supporters' Society members, a vote will then be held on progressing with the purchase. No deal will be done until members have had their say and a vote has been concluded.

Once all these steps have been completed satisfactorily the majority shareholder of East Fife Football Club will be the East Fife Supporters' Society.

If anyone would like to discuss any of the above further, please contact me using the details below.

Finally, news of our upcoming Bayview Live Lounge Presents evening with one of Scotland's rising stars in the indie music scene will be announced soon.

You never know it might even be a night to celebrate…….. "Mon the fife".

Ian Lowson, Chairman, East Fife Supporters Society
