## Welcome!

Hello everyone, hope you like the new branding of the Society, and hope you are all well....apart from missing your football fix! Time passes so fast, and the board are aware that it has been a while since you have all received an update. The board members have continued working on purchasing the majority shareholding of East Fife Football Club.

# Supporter's Society Board

East Fife Supporter's Society now have a full board with all positions filled.

Colin McInnes resigned from his position as Treasurer as of 31/05/2023, but the vacant position is now filled, thanks to those who came forward.

# Progress & Fan Bank

## Progress

The survey which was circulated to all members on 18/05/2023 to vote on repurposing the share save funds to facilitate progressing of the majority share purchase resulted an overwhelming majority in favour. (93% YES 7% NO)

Since the outcome of the vote the board has appointed and onboarded a legal team to act on the Supporter's Society behalf. A consultant is also working on developing a business plan which is part of the formal process required to purchase the shares.

## Fan Bank

As you may all have seen on the news recently, Falkirk FC have received payment from SG for the project they are currently undertaking. There have been recent meetings in Holyrood to discuss the next phase.
