

Dear member

The Supporter's Society would like to take the opportunity to thank you all for your patience as we work through the steps to purchase of the shares. This is progressing well.

As part of the process, we need to pay legal fees and professional bodies to manage some of the groundwork, as you can all appreciate the services of these sectors does not come cheap. The Society bank has a fund which is ring-fenced for the purchase of shares. Ultimately, the funds will result in the purchase of the shares, but we need to pay a legal team to support this.

The Society requires a vote of members to be carried out to on whether everyone agrees that the ring-fenced funds can be re-purposed to pay the legal and professional fees to facilitate the purchase of the shares.

Update regarding the Race Night. This will still go ahead but will some time in August as that is the dates given to us by Methil Club as available. The people who run the event will also need to confirm their availability. Those who previously submitted their sponsor form and paid the money be assured that they will still be used at the rescheduled event. In the meantime, if everyone can continue to ask family and friends to sponsor and name their horses that would be appreciated

The date of the event will be confirmed as soon as possible.
